The Next-Gen Ranger Raptor Optional Decal Package

This brochure was designed to provide you with a general introduction to your Next-Gen Ranger Raptor and was correct at time of going to print. Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specifications either temporarily or permanently, which will be communicated to the Ford Dealer Network. E & OE.

The declared fuel consumption and CO₂ emissions figures were achieved during technical laboratory testing in accordance with the legislated technical specifications (SANS 20101: 2006/ECE R101: 2005 as last amended) and validated and approved by the UK Vehicle Certification Authority (VCA). Fuel consumption and CO₂ emissions figures are used to compare different vehicle types under uniform conditions, and are not necessarily indicative of reallife driving conditions. Note that the actual fuel consumption and emissions levels will include but not limited to many factors and are directly affected by the length of the journey; number of passengers and the amount of luggage carried; individual driving style; road conditions; weather conditions; vehicle age, mileage, condition and standard of maintenance: use of vehicle features such as air conditioning; and any modifications to the vehicle. Your fuel economy will vary based on these and other factors and, for these reasons, many drivers may not achieve the EU fuel economy figures in day-today driving, although the vehicle is technically capable of doing so.

Use of FordPass™ is subject to the FordPass™ Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on www.ford.co.za/fordpass/ and requires a compatible mobile

device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass™ App on your mobile device, including associated fees. The FordPass™ App and FordPass™ Connect modem can only work when both are connected to the telecommunications network. Ford cannot guarantee that FordPass™ will be in full operating condition at all times and the FordPass™ App may be unavailable or particular FordPass™ services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. Vehicle Local variable on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. Refer to FordPass terms and conditions on our website for connected service offered periods.

Leather seats are a combination of leather and high-quality, durable materials. Ford reserves the right, subject to all applicable laws, to discontinue or change features and other specification either temporarily or permanently without incurring any liability to any prospective purchaser or purchasers. FordPass connect and embedded modem comes standard on all Next-Gen Ranger Raptor. Remote start only available on automatic transmission vehicles
